

MOLI Toolbox

practical utilities, always one tap away from any kiosk screen

A thoughtful collection of simple tools that solve everyday problems on the production floor.

The specific tools available at each kiosk are configurable.

🧰 Core Tools

- **Canvas**: create simple drawings and mark up documents
- **Countersign**: verify organizational membership using shared challenge words; logged in users all see the same time-rotating words
- **Transmit Test Messages**: verify the operation of MOLI's configured Email, SMS, and Voice Call functionality

⏰ Bonus: Timers

- **Countdown Timer**: receive notifications when an interval has elapsed
- **Pomodoro Timer**: receive notifications for Pomodoro time management
- **Stopwatch**: measure wall clock time for any event

🕮 Bonus: Reference

- **Periodic Table of the Elements**: search or browse chemical elements
- **Resistor Color Decoder**: decode or encode resistor color codes
- **Unit Converter**: express a measurement in a different unit

📎 Bonus: Utility

- **Calculator**: perform arithmetical and algebraic calculations
- **Character Map**: browse and access special characters and symbols
- **Color Picker**: browse and access colors in various color systems

🥳 Bonus: Extra

- **Dice Roller**: simulate the result of rolling any size die
- **Metronome**: keep a pulse with aural and visual feedback
- **Morse Code Oscillator**: convert text to audio morse code playback
- **Tone Generator**: generate fundamental tones of various shapes
- **Telephone Tone Generator**: generate telephone-specific tones
