Keep a live Dropbox folder stocked with MOLI data exports — automatically.

MOLI Data in Dropbox. Always Current.

MOLI writes configured data exports to a Dropbox folder automatically via the MOLI Broker. Any provisioned data type can be exported on a configurable schedule, making MOLI data accessible from any device connected to your Dropbox account — with no per-user login or shared credentials required.

KEY BENEFITS

- MOLI data exports sync to a Dropbox folder automatically — accessible from any device.
- Configure which data types and export formats land in the folder.
