MOLI Software License Subscription

Software · Servers · Support

Comprehensive Software, Updates, Infrastructure, and Support for your MOLI System.

Your MOLI System. Revolving and Evolving.

A MOLI Software License Subscription is not just an annual SaaS fee. The SLS includes your provisioned access to core feature and integration modules, dedicated server infrastructure, updates coordinated around your production calendar, round-the-clock system monitoring, and direct access to the software team.

PLATFORM LICENSE COMPONENTS

- **Software License.**
  Includes full access to all features for all licensed Workcenters, Digital Signage, and Integrations for the duration of your subscription.
- **Dedicated Server Infrastructure.**
  Your MOLI Deployment runs on its own isolated environment within Amazon Web Services — with daily backups taken to a different geographic region.
- **Scheduled Platform Updates.**
  Updates are deployed on a schedule that works around your operation and existing shutdown periods.
- **24×7×365 Uptime Monitoring.**
  The availability of your deployment is checked automatically and continuously.
  If downtime is reported, a member of staff is called to respond, verify, and restore service.
- **MOLI Support Access.**
  Direct access to customer-focused enginers and technicians.
